

Osama Adwan

Video Editor | Post-Production Specialist

As-Suwayda, Syria • +963 939 651 766 • vosamaqiadwan@gmail.com

PROFESSIONAL SUMMARY

Video Editor with hands-on professional experience since 2022 and advanced, senior-level proficiency in Adobe Premiere Pro. Skilled in visual storytelling and managing the complete post-production pipeline — editing, color correction and color grading, sound design, music integration, motion graphics, and visual effects — for advertising, marketing, VSL (Video Sales Letter), news/media, tourism, and social media content. Detail-oriented, frame-by-frame editing approach with a strong record of on-time delivery and client satisfaction across remote engagements with international clients.

CORE SKILLS

Software	Adobe Premiere Pro (Advanced) • Adobe After Effects (Advanced) • Adobe Photoshop • CapCut • Canva
Editing	Narrative structure • visual storytelling • pacing & rhythm • footage selection • story-driven, project-specific editing
Color	Color correction & color grading • visual consistency & treatment development
Sound	Sound design & effects • music selection/integration • audio synchronization
Motion & VFX	Motion graphics • compositing • chroma key / green screen • visual effects
Industries	Advertising • Marketing • VSL / Direct Response • News & Media • Tourism & Travel • Social Media

PROFESSIONAL EXPERIENCE

Video Editor

Nov 2025 – Present

Sara Group — Tourism & Travel | Remote

- Edit video content for the tourism and travel sector, translating destinations and experiences into engaging visual narratives.
- Apply pacing, color, and sound treatment tailored to travel and promotional content.

News Media Video Editor

Sep 2024 – Oct 2026

News Media Organization | Remote

- Edited an average of 2–3 news videos per day over a 2-year period, structuring raw footage into clear, engaging segments under tight, time-sensitive deadlines.
- Applied appropriate pacing, sound, graphics, and visual treatment consistent with news broadcast standards.

Freelance Video Editor

2022 – Present

Self-Employed | Remote

- Completed 50+ video projects for independent clients across marketing, advertising/commercial, VSL, and social media content.
- Maintain 10–15 recurring clients on monthly and annual retainer packages, with strong client satisfaction driven by detail-oriented, frame-by-frame editing and consistently on-time delivery.
- Managed full post-production end-to-end: cutting and sequencing, color correction/grading, sound design, music integration, motion graphics, and final finishing/delivery.

Freelance VSL Video Editor

U.S.-based Company | Remote

- Produced VSL (Video Sales Letter) content remotely for a U.S.-based client, focused on direct-response editing techniques that support conversion goals.
